How to live without her.**

Chairman's Message

Dear Students and Parents,

The transformation that a good Residential learning Program has evidences in our mythology, From Ancient time like in Ramayana & Mahabharata etc. Where Princes like Rama, Laxman, Arjun etc. were sent to Guru Ashrams and gained knowledge, Self confidence, Decision making, Personality development.

Keeping this in mind and alongwith our last 20 years cutting edge educational services experience for IIT JEE & other national level competitive exams. we are taking a step ahead to start kota Takshila Vidhya Ashram a hybrid of school education and competitive Exam preparation with residential accommodation, So that a student can groom in 24x7 Environment without wastage of time.

The Faculty / Mentors are highly committed to their objectives and are subject experts Renowned name in their fields.

KOTA JEE Takshilla Vidhyaashram aims to provide disciplined and result oriented learning. It's also a life time achievement for a student to get never before and after experience.

Nishant Porwal

Our Star Performers

**NOW IN
IIT-KANPUR**

MEGHANSH AGRAWAL

N.P. Sir is one of the best chemistry faculties of Kota. He teaches chemistry in a very significant way which is easy to understand and scoring marks in JEE. Especially in inorganic & organic he teaches things which are actually needed to score. I find my chemistry actually improving in ENERJEE.

**NOW IN
IIT-BOMBAY**

GARGI AGRAWAL

All first when I joined Enerjee I was doubtful about my decision, but gradually I realized that was probably the best decision I made regarding my JEE preparation. I got to know the true meaning of proper planning. Enerjee's teaching techniques are very good. I liked the most important aspect of learning that is "clear thinking" in "sincerity and very friendly" knowledge by Sirs. Sirs were an great motivator. Sirs I learned the aspects of chemistry from Sirs, but also the aspects of actually reading the exam in the interest. I hope I successfully cleared my JEE with the "preparation" of Enerjee and had fun in the process.

APOORVA SINGH

Energy teaching Sirs give me best opportunity to learn IIT chemistry. IIT Sirs are extremely helpful for their students. Their small lectures, short books along with their best & possible content is really helpful to understand for scoring 95% or above. I want say that Sirs are the best chemistry faculty of Kota for IIT-KANPUR.
