## Proposal & Concept

### **Real Presence Satellite Classroom Program For Competitive Exams**

Corporate Office

EnerJEE Eduventures India PVT. Ltd., B-18 (A), Road NO. 2, I.P.I.A, Kota-324005 (Rajasthan) INDIA

### About EnerJEE

- EnerJEE Ltd. is India's leading institute for IIT-JEE, AIEEE, AIPMT, NTSE, KVPY, Science & Math's Olympiad preparation.
- Headquartered at Kota, it has Faculties more than 10 years of successful experience.
- It is one of the pioneer institutes of Kota which has transformed Kota into an educational city of repute. This could be achieved simply by virtue of the excellent teaching methodology that EnerJEE has evolved, developed and implemented over the years.
- EnerJEE's objective is to enable each student to achieve success and in the pursuit of which, it has a team of Best faculty members of Kota with the complete, excellent study material and result oriented coaching methodology.
- Every year, EnerJEE's students are securing top ranks in IIT-JEE, AIEEE & AIPMT, which speak volumes about EnerJEE's commitment to excellence and perfection in imparting quality education.
- Since inception, EnerJEE's faculties has produced thousands of IITians, IACS of Engineers and doctors.
- **Continuing the tradition of excellence in education, now EnerJEE brings to you the most innovative, interactive and effective preparation program in your city through *EnerJEE RPSC* network.**

### EnerJEE RPSC - Unit of EnerJEE Ltd.

- Using the state of art technology, students anywhere across the country will be able to prepare for the competitive examinations under guidance of EnerJEE faculty through EnerJEE RPSC network.
- The heart of EnerJEE RPSC service is a powerful technology that allows large numbers of geographically dispersed participants to have a highly interactive, one-to-many communication with the faculty. **EnerJEE RPSC** has live, interactive, real-time, two way video, voice and data classes.
- The platform offers interactivity similar to a live classroom session, where a student sitting in any part of the country, at any given point in time, can interact freely with the faculty, raise questions, queries, etc. making the interaction as spontaneous and natural in a regular classroom. For details, please visit [enerjeeekota.in](http://enerjeeekota.in).

**Through EnerJEE RPSC Center, The bright and aspiring students in your city/school now will have access to the following –**

- **Renowned Faculty:** EnerJEE renowned faculty members with unmatched track record of result
- **Study Material:** EnerJEE study material which is well researched, complete and relevant.
- **All India Test Series:** EnerJEE proprietary testing and assessment system (FeedBack Technology) which is unique and provides personalized and relative feedback.
- **A host of other features like:** Recorded Lectures, Online Tests, Career Counseling Services etc.
- **National Platform:** A national level platform where every class students will learn and compete with the best in India.

## Real Presence Satellite Classroom Program

( RPSC )

# EnerJEE

Positive energy for Grand Success

### How does EnerJEE RPSC work

- Courses are delivered through a national network of “EnerJEE RPSC Center” (E RPSC).
- The core of the network is the studio at Kota fully equipped with all telecommunication technology that allows the faculty to teach and interact with students who could be spread across the country at Trans multiple locations.
- All centers have technology based Video Conference enabled classrooms connected to state-of-the-art studios at Kota by means of internet broadband connection.

**Note:** The required internet (broadband) bandwidth is just 1mbps (It work even on data card like Tata Photon etc). If internet band width is not stable then (E RPSC) has to go for internet Lease Line.

- The students can see, listen and participate in a lecture in real time.
- The students may interact with the faculty as spontaneously and naturally as in a regular classroom. The faculty & moderator at studio use audio-video facilities to see; hear and talk to the students.
- All sessions are recorded and they are available to students via website for later review.

*EnerJEE RPSC Education-Network*

## Proposal for School Integrated Coaching

### Objective of the courses

- For Class 11th & 12th Class:** To provide coaching for IIT-JEE/AIEEE and AIPMT so that students achieve success in these competitive examinations along with excellence in Board examination.
